MAO Friday, April 17, 2026

8:30-9:00am **Breakfast Buffet**

9:00-10:00am **Lumps, Bumps, and Red Herrings: Solving the Eyelid Mystery, Dr. Will Turk**

The eyelids are home to some of the most complex and delicate skin architecture in the human body, making lesion identification both a common challenge and a critical responsibility. This lecture provides a systematic approach to the "eyelid exam," moving beyond casual observation to a forensic analysis of tissue architecture.

10:00-11:00am **TBD** Great Lecture and Speaker!

See More, Be More,
with specialty
coffees from Essilor
Luxottica

11:00-11:15am Coffee Break

11:15-12:15pm **Cornea-copia: A Wealth of Knowledge on the Ocular Surface, Dr. Edwardo Lubcke**

There is a critical relationship between corneal sensation and wound healing. Corneal nerve dysfunction can impair recovery from injury or surgery. This session highlights the vital connection between corneal sensation and healing, equipping clinicians with knowledge to diagnose and manage corneal nerve dysfunction effectively.

12:15-1:30pm **Buffet Lunch & Years of Service Awards**

1:30-2:30pm **TFOS DEWS III, Dr. Lyndon Jones and Ety Bitton**

The revised TFOS guidelines were published recently and provide extremely valuable, clinical information for clinicians dealing with the 25% or so of Canadians that suffer from dry eye. The session concludes with a deep dive into the new targeted treatment algorithms, focusing on matching specific therapies to the unique etiological drivers of each patient's disease.

Sponsored by **Alcon**

2:30-2:45pm Coffee Break

3:00pm-4pm **KEYNOTE SESSION, featuring Rory Gardiner, Country star/Comic**

Rory Gardiner is a leading voice on creativity and resilience, helping organizations transform pressure into performance and challenges into growth. With his signature blend of humor and practical strategy, Rory equips teams to beat burnout, embrace change, and reframe their work in ways that strengthen retention, engagement, and workplace culture.

4pm-8pm **One Vision Tradeshow**

Open bar 4pm-5pm sponsored by Alcon, Complimentary hors d'oeuvres and dessert bar, Hourly door prize draws, Participate in the Tradeshow Quiz for other prizes and fill up on swag from each booth!

We have adjusted the hours of our tradeshow to optimize the time of our vendors. Book dinner reservations or head to the MAO hospitality lounge space at the Delta Winnipeg.

MAO Saturday April 18, 2026

8:30-9:00am Breakfast Buffet

9:00-10:00am Cultural Competency in Healthcare, Sponsored by MMF

Fostering a "culturally safe" environment that respects Métis identity, reduces systemic barriers, and builds the trust necessary for lifelong health outcomes.
*Reminder that MAO members must complete 1 hour of cultural competence continuing education during each CE reporting period ending Dec 1st, 2026.

10:00-10:15am Coffee Break

10:15-12:00pm ANNUAL GENERAL MEETING

12:00-1:30pm One Vision Group Luncheon

1:30-2:30pm Three Pillars of Professional Development: Image, Burn out and Balance, Dr. Rob Kloepfer

Success in healthcare is often measured by clinical outcomes, yet the sustainability of a career depends on the strength of its foundational pillars. In this session, Dr. Kloepfer explores the critical intersection of professional identity and personal well-being.

2:30-3:30pm The Evolving Science of MacTel, Dr. Charbel Wahab

Macular Telangiectasia (MacTel) is now understood to be a complex, primary neurodegenerative disease. This session explores the paradigm shift in MacTel research, moving the focus from "leaky plumbing" to the failure of retinal metabolic support.

**President's Celebration @ Millennium Centre
6:00pm-11:00pm**

Back by popular demand - the mix and mingle style celebration night and featuring a Broadway Themed soiree. Join us for a blend of professional polish and relaxed camaraderie, designed to let the focus shift from the exam chair to the person behind the lens.
