

IDENTIFICATION

Provide a recent photo (within past 2 years), sized 50 mm x 70 mm (2" x 2.75"). Your face must be reasonably sized within the photo.

Proof of Identification and current legal name indicating that the photo is a true likeness of the applicant must be provided in one of the following ways:

- **Notary Public certification on the reverse of the photo:** stamped and signed by a Notary Public with a statement certifying that the photo is a true likeness of the applicant. Photo must then be attached to this page with tape on one edge only so the notarization can easily be viewed. Complete certification must fit on the back of the photo.
- **Notary Public certification on a separate page:** permanently affix photo to a separate page which is then stamped and signed by a Notary Public with a statement certifying that the photo is a true likeness of the applicant. Notary stamp on the paper must overlap a portion of the photo but not the face.
- **Affidavit at the MAO office:** applicant must provide a photo and swear an Affidavit that he or she is the person named in the application and pictured in the application photo. Photo ID must be shown and the Affidavit must be sworn before one of MAO's Commissioners for Oaths.
